Dear Miss Blaney,

My family sent me your letter of Jan 19th, asking whether I received the package the Bryant Service Club sent me on Dec. 4, well, Miss Blaney that package had quite a trip in catching up with me. It did not get to Nashville, but I had left Nashville in October, then the package went to Maxwell Field Alabama, but, two days before the package arrived at Maxwell I had left for primary here at Orangeburg, I received the much post marked package Jan 1st for which I am deeply grateful.
